REVIEWS

"Such a cute story with beautiful illustrations. This is a great story for children with a beautiful message. Everyone needs to go after their dreams no matter how hard." - A.W.

A sweet story with great illustrations. A couple of lessons touched on, but not overbearing. There's a great friend, the narrator, and Omac not being happy with himself until he leaves. Overall, cute story that my kids enjoyed. - Jamie M. *Kindergarten teacher*
